

POLL TAX DECLARATION

I, _____, being elected a delegate for the County, State, Congressional, or Judicial Assemblies am **UNWILLING** to pay a poll tax to participate as a delegate in the previously listed assemblies.

I understand that the State GOP has amended their Bylaws to include the statement, "No individual shall be prevented from serving as a Delegate to any Assembly because such individual is unable or unwilling to pay such fee." I therefore declare that I am unwilling to pay such a fee until the County Chair, Vickie Tonkins, releases the actual cost of the assembly/caucus so that I may pay my fair share.

Section K. Badge Fees.

The State Chair, County Chair or Chair of any District, may set a fee to be paid by Delegates and others attending the respective Assembly. No individual shall be prevented from serving as a Delegate to any Assembly because such individual is unable or unwilling to pay such fee. Chairs shall disclose the estimated percentages of the Assembly fee revenue allocated to pay for assembly/caucus expenses and to general fund.
